Homecoming '75

"We Have Reached the Dawn of a New Day" was our Homecoming theme. Following their coronation at the preceding night's ball, King James Horton and Queen Renee Robinson and their royal court led the parade before cheering crowds of Cougars.

Later the crowd's mood changed to suspense as our mystery grand marshal alighted from his car: It was Jack Paterson from sta-

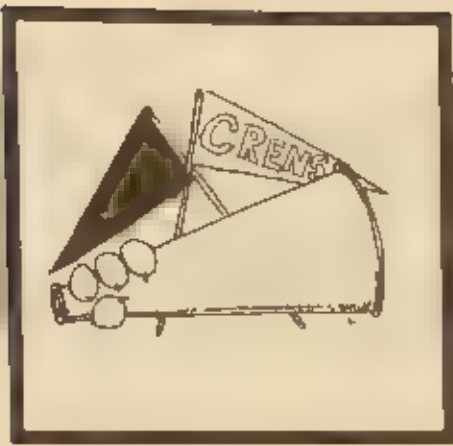

tion KDAY.

Present and past Cougars then settled down to watch our hard-fighting football team succumb to the powerful Palisades Dolphins, 31-8. (Pali wound up undefeated in the Western League).

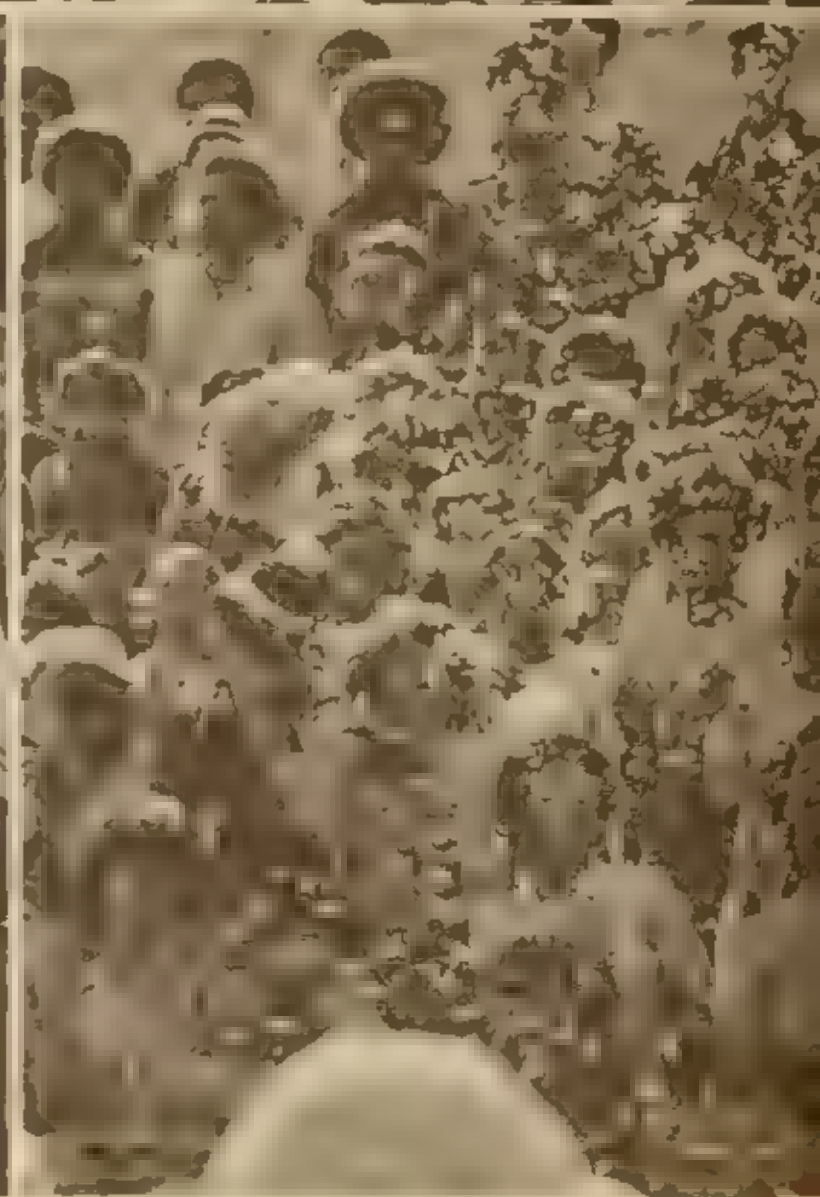

One again, Girls League had sponsored a colorful and entertaining Homecoming.

THE ROYAL COURT: Tenth grade Escort B. J. Harris & Princess Charlotte Coleman, Eleventh-grade Escort Michael Henderson & Princess Andrea Washington, King James Horton & Queen Renee Robinson, Twelfth-grade Princess Gwen Jolivette, Escort Tony Flot & Princess Cheryl Godfrey.

President's Farewell Message

As we come to the close of our Senior year, I look back and see all of the good things as well as the bad things that we've gone through.

But I think the thing that made us stand out is that we could overcome the bad things. I see this class as being one of dedication, willing to work and having that ingredient called spirit. We will definitely go as having one of the best, if not "the best," class in Crenshaw's short but illustrious history.

And as I close on behalf of the whole Senior Cabinet, I'd like to thank all of you for having enough confidence in us to lead you through your most memorable year in high school.

I hope from this school and from this class you will reach all of your goals, and remember proudly that you were from the class of '76".

UNDERGRADUATES

The Class of '77

We, the Class of '77, with our intelligence, dignity, power, ability and pride, will prove to be the "essence of life" of Crenshaw High.

We will remember the past, for it has brought us to the present; conquer the present, for it is here with us; and strive for the future, for it will be ours!

The Class of '77 has had many activities which have turned out a success. This success is due to all of our class spirit. We will strive with pride to make our future activities even more successful, and will continue with our strength and courage to make the Class of '77 the best class Crenshaw has ever had!

We are the class of '77 and will prove to be "the essence of life."

Student Body President

We were pleased with some of the major social, aca-
demic, and athletic accomplishments this past 1975-
76 school year. Just to name a few of our successful
events there was our outstanding football, basketball,
water polo and other team sports in which our stu-
dents brought a lot of pride and honor to our school;
Homecoming, Christmas and other dances which
brought our students & campus close together.

Academically, Crenshaw has maintained its high
scholastic standards of academic achievement in the
areas of Student Law & Justice Program, S.W.A.S.
inner-school concept, advancing in the areas of vo-
cational education our various shop-courses such as
automotive repair, woodcraft, electronics and tele-
communications. Our mighty Cougar Marching Band
was a highlight of Crenshaw's spirit.

Reviews Year's Accomplishments

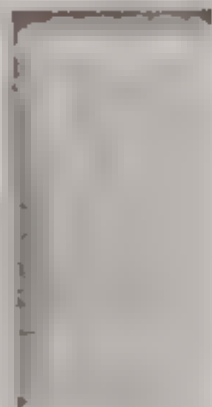

The year 1975-76 has been a remarkable and learning experience for the Crenshaw High School-Community. We would like to thank everyone concerned with making Crenshaw something to be proud of.

May I offer my sincere thanks to Student Council and advisor for all of the assistance and support it has given me. It made being President at Crenshaw High something of importance.

I leave with you this one thought: "The knowledge that you attain can only be valuable if you apply it for your own benefit; the future is yours if you want it, but you must want it."

Varsity

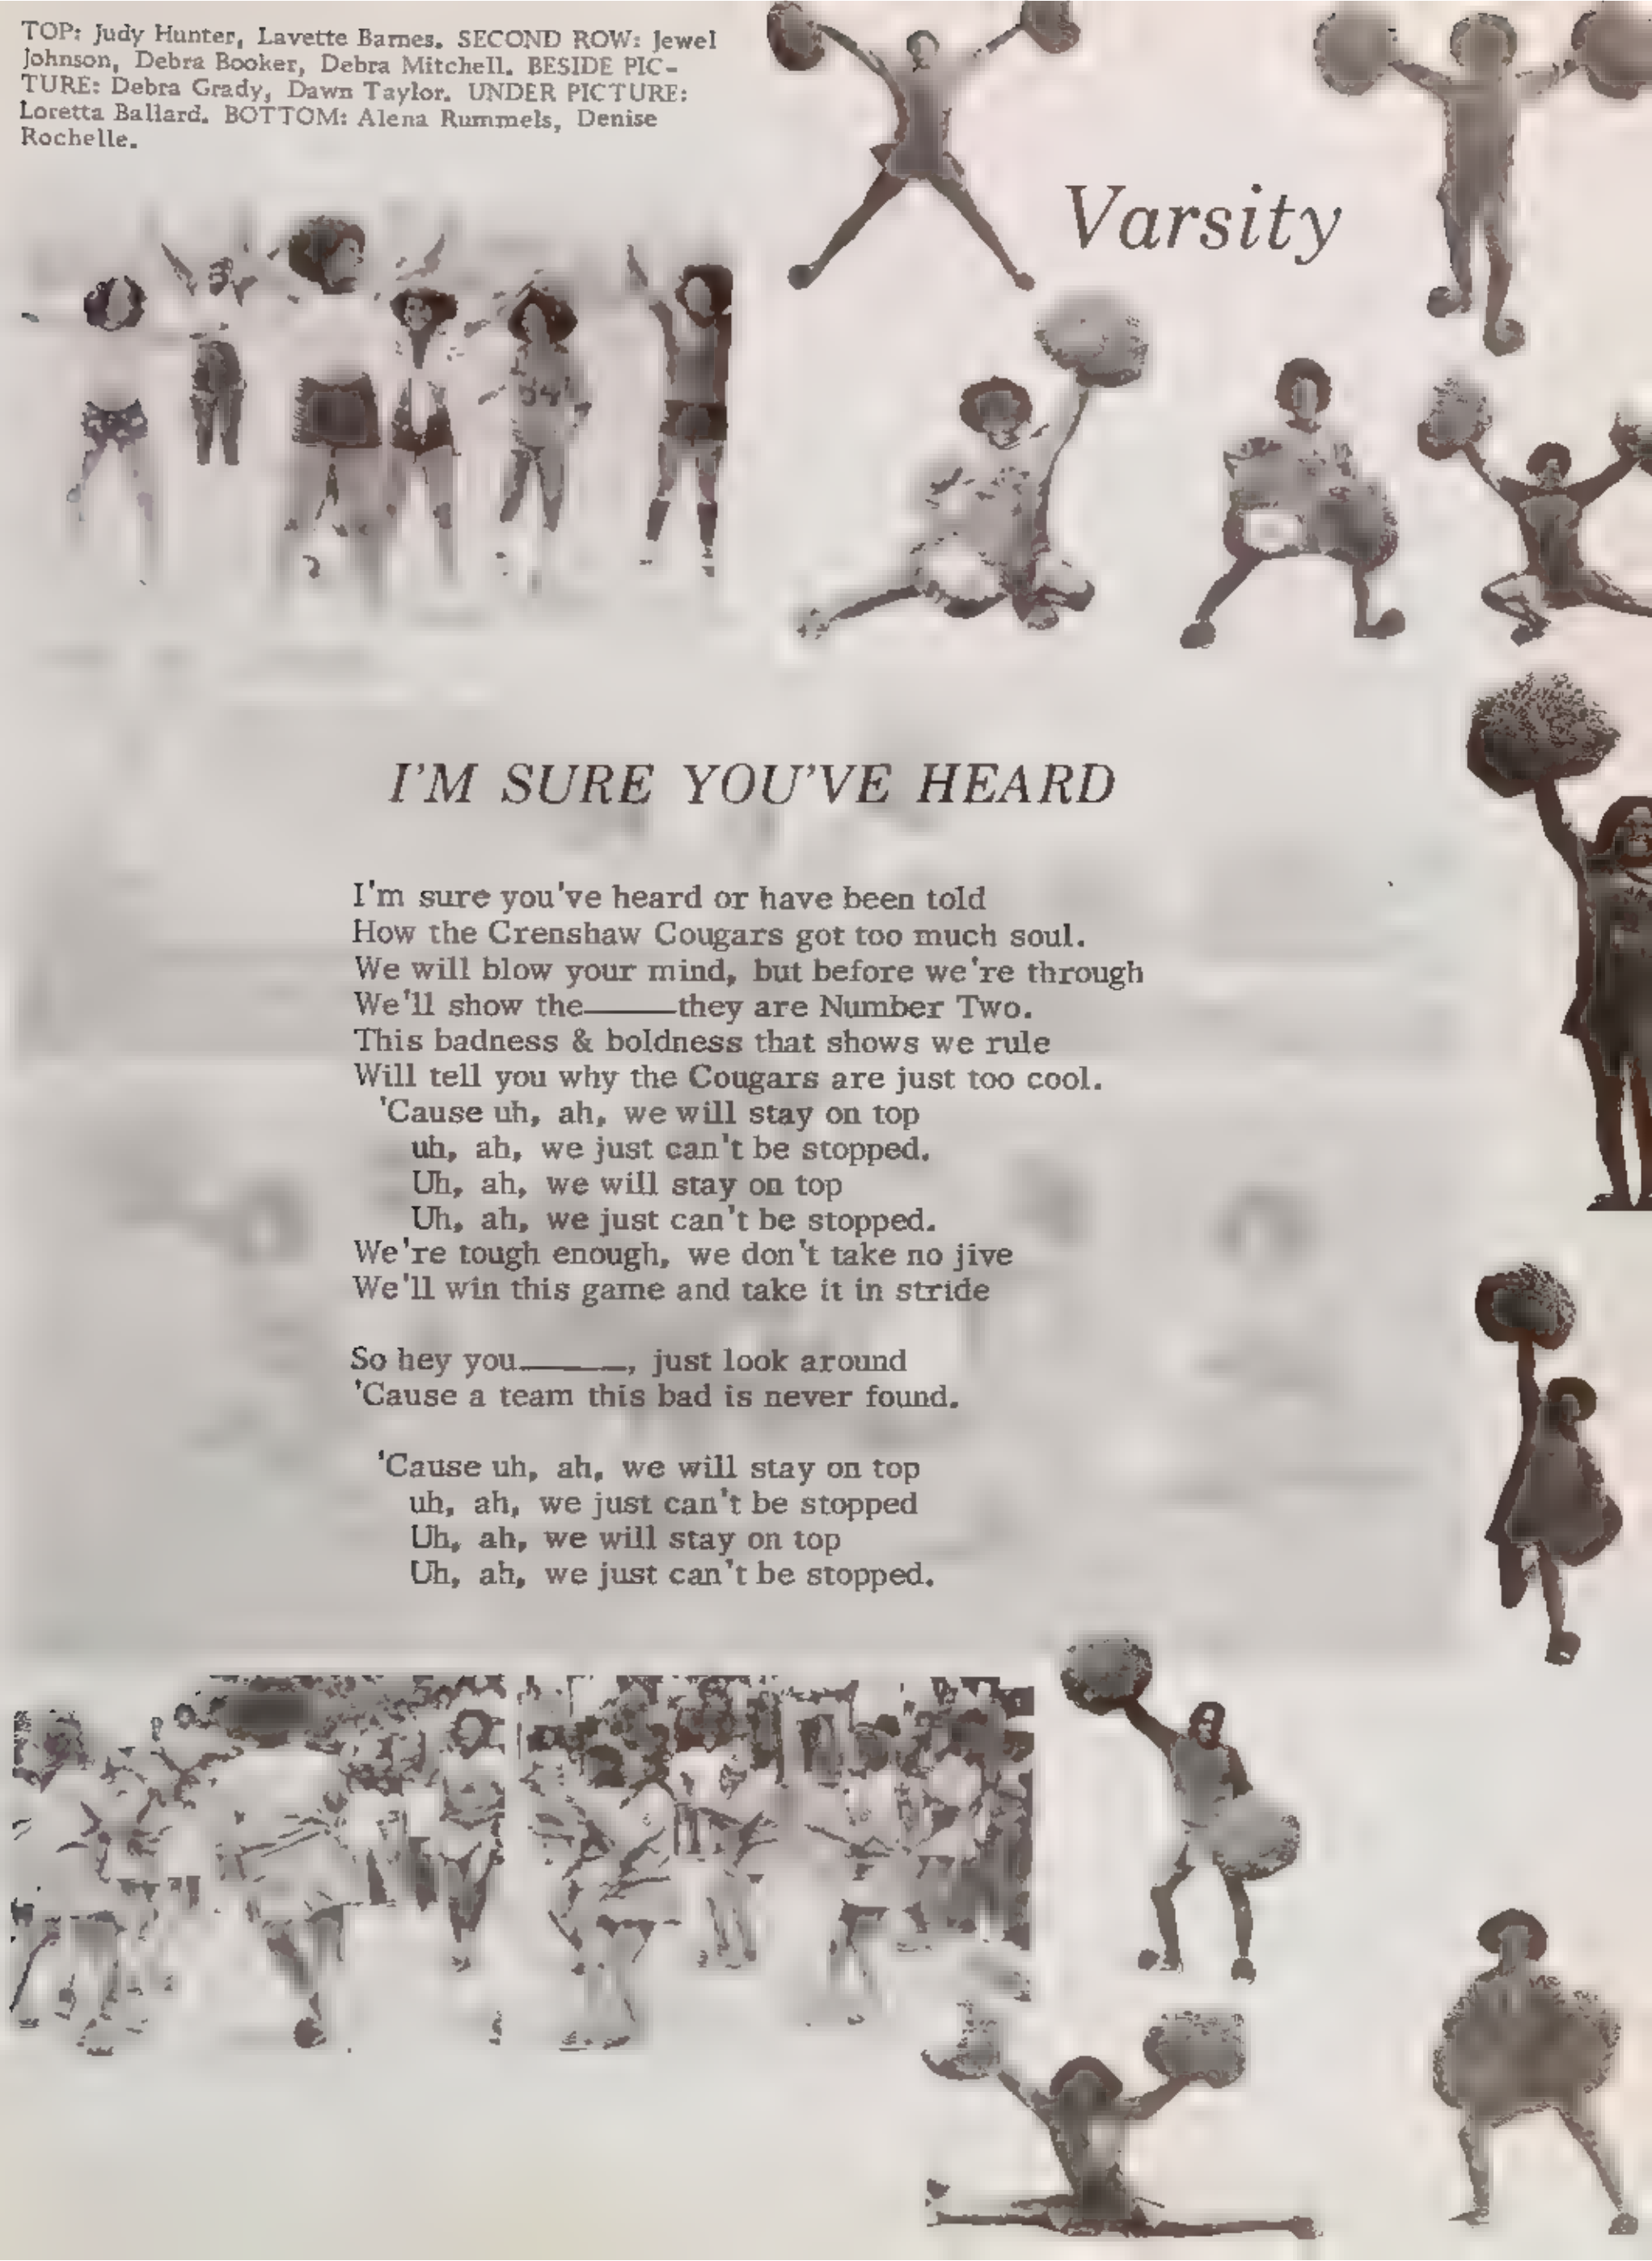

I'M SURE YOU'VE HEARD

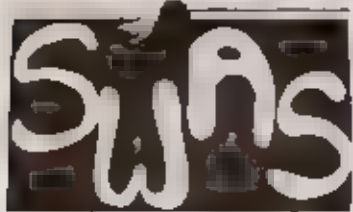

I'm sure you've heard or have been told
How the Crenshaw Cougars got too much soul.
We will blow your mind, but before we're through
We'll show the——they are Number Two.
This badness & boldness that shows we rule
Will tell you why the Cougars are just too cool.

'Cause uh, ah, we will stay on top
uh, ah, we just can't be stopped.
Uh, ah, we will stay on top
Uh, ah, we just can't be stopped.
We're tough enough, we don't take no jive
We'll win this game and take it in stride

So hey you——, just look around
'Cause a team this bad is never found.

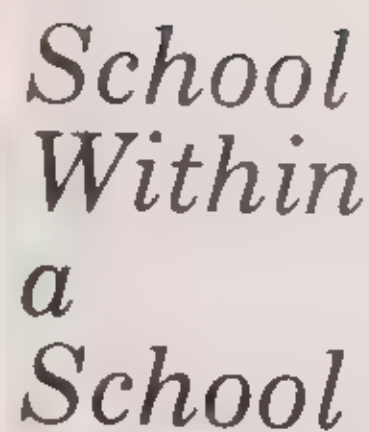

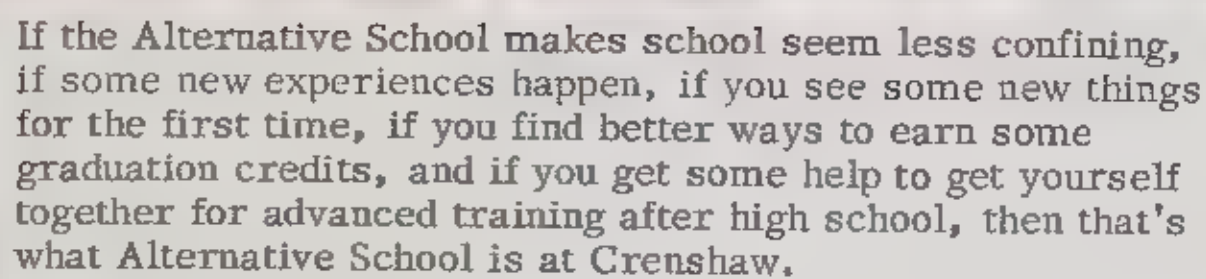

'Cause uh, ah, we will stay on top
uh, ah, we just can't be stopped
Uh, ah, we will stay on top
Uh, ah, we just can't be stopped.

TOP: SWAS teachers Gary Scott, MaryAlyce Clemmons, Joyce Combs, visitor, Bob Voiles, Hugh Gottfried. ABOVE: (clockwise): informal study corner, art project, class signups, biology lesson.

A dark, irregularly shaped object, possibly a piece of wood or stone, resting on a light-colored, textured surface. The object has a rough, uneven top surface and a more defined, slightly curved bottom edge. The background is a light, mottled grey or white, suggesting a stone or concrete surface. The lighting is soft, creating subtle shadows and highlights on the object's surface.

Even if school isn't your thing... learning to know yourself better, finding out you have good qualities, discovering somebody else cares, believing you are important, knowing you have a future... these are righteous things to emlore.

Alternative School is a way to learn how to learn and to find out what's worth knowing. It's a chance to discover your own way. Alternative School is freedom...and responsibility.

The Journalism staff has been working hard this year on the Cry of the Cougar.

We put forth unlimited effort in putting the paper out monthly. Although our advanced class was small, we tried to make every paper a paper to remember.

We are thankful for the help of the beginning journalism class & our typists Pamela Mayfield & Cynthia Hale. Also special thanks to Mrs. Thomas (typist) & Mrs. Harper (school secretary) and her staff.

FACULTY

Principal . . .

We are very proud of our school opening this year.

As we compare this with previous years, it is obvious that progress has been made. More students are in class and there is a much calmer atmosphere.

Nevertheless, the challenge is there for staff and student body alike to make full use of our educational program. Our dream has to be a significant achievement within all subject areas.

Young Cougar Bee's

A season of consternation to say the least. And then it jelled, and we were gangbusters.

Our last game was a thing of beauty. Nearly everyone did nearly everything correctly. We were the Cougar Bees and we were stinging.

However, let's back up a step or two and discuss the early season. It was difficult for our young team, mostly 10th-graders, to learn how to have the proper attitude concerning football; hard for them to believe they were not in the street, getting it on. Therefore it was difficult to learn to react together in a one-for-all manner.

This doesn't mean we had no standouts, because we did. Who,

Finally Come on Strong

among Bee followers, can forget Marc Tolbert's contributions from day one; or, for that matter, Mark Baine's or Dwayne Griggs's early season stabilizing forces?

It would be easy to mention every name on the roster as a contributing force, and to show their contribution, but space doesn't permit. So let us just say that the end justified the labor and that every Bee was involved in bringing about the end result. (At this writing, we are no less than second in our conference, perhaps first, after a slow beginning.)

Thank you, gentlemen, for a warm set of memories.

Cross Country

Varsity Cross Country had very strong competition from all the teams in the Western League & finished the season without a victory. The team was led by Steven Page, Kirt Dupart & Antonio Villaruel.

The Junior team was winless because of lack of experience. Outstanding runners were Cecil Brown & Anthony Batchelor.

The Tenth-Grade Team was led to two wins by Eric Dupart, who placed fifth in the league finals and represented Crenshaw in the City championships.

For a team returning just four members off last year's first-ever team, Varsity Water Polo played remarkably well. The season was highlighted by a convincing victory in their last game against always tough Westchester, 19-12.

The Varsity was led by Kenneth Hasley, one of the top three "hole men" (center forwards) in the city, who scored a record number of goals (102).

One of the better goalies in the league, who showed great improvement, was Daryl Waggener. Other Varsity performers who played well were Kevin Glover, Bruce McCraney, William Harris, and Robbie Yates, and Reginald Hardine.

With only one player back from last year, the first year Junior Varsity has its share of

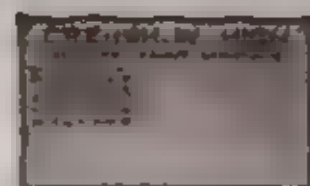

problems but they improved with each game; and win or lose if a team stays at the same level of performance and doesn't improve their play as a team, then winning isn't that important. Wilbert Amey was the top Junior Varsity scorer with goalie Clifford Monroe leading the defense.

Other leading players (who will all return next year) were Reginald Hardine, Earl Tillis, Reginald Thompson, Marc Douglas, Alberto Villarruel, Herman Lane, Craig Smith, and Chuck Smith.

Special thanks to Lucy Johnson, Angela Huchison, and Donna Fulbright, who devoted a lot of free time in helping out as scorekeepers and timers.

21-1 Season Record Is City's Best

Just like in fairy tales, you always seem to know how the Cougars' basketball team is going to end up after another season of Western League play.

They won the Western League Crown again for the fourth time in the five years Coach Willie West has been in charge. (The only year they didn't win, it was because of an ineligible player.)

This season saw the Cougars compile the best record in the city (21-1), win the Banning Tournament, and be a consistent power-house all year.

With balanced team play in all departments, it was difficult for opponents to key on certain players. The Cougar bench played an essential part in keeping their record almost perfect, with the only loss coming at the hands of the number-three-rated Fremont Pathfinders.

With Captain Darwin Cook out for the first half of the Season, 5'10" guard Jose Marciano did more than his share as he led the team in both scoring and assists with more than 17 points and five assists a game.

Also averaging in double figures were Raymond Potlongo a 6'6" center (15 pts.), the leading rebounder with over 10 a game, and Russell Jackson, probably the most consistent player. The team did a good job all year in scoring and rebounding.

But those three aren't the only ones responsible. With reserves Treavor Shelton, Michael Johnson, and Cook completely recovered from his broken wrist, at the end of the regular season, the Cougars were looking forward to regaining what they lost last year at Pauley.

JV Basketball Team Captures Western League Crown Again

Probably the school's most overlooked team, the Junior Varsity once again captured the Western League crown with a perfect 10-0 record.

With such talent as Steven "Smoke" Ellis, Gasten Graham, Troy Burton & Charles Fields returning, it will be very difficult for Coach West to decide on a starting lineup for his Varsity team in '76-'77.

As he did with the Varsity, Coach West shuffled the lineup around during the games. But it must have helped as the JV controlled almost every game they played in.

Cee Basketball

Western League Champs

The Cees returned to the top after three straight years of second place. Their success was due to its balance; they were consistant on offense & defense.

The team was led by Point Guards Michael Redmon & Gregory "Spider" Larkin. Darryl "Cat Man" Campbell, Tony Wilkins & Stanley "The Hawk" Fowlks provided excellent board play.

At the wings, the Cees were exceptionally strong. Terrence Fletcher, Steven "Motor" McPherson & Shelton Hollins.

Our MVP & Western League Cee player of the year is Gary "Arms" Gaspard, who averaged 19 points a game & intimidated opponents on defense.

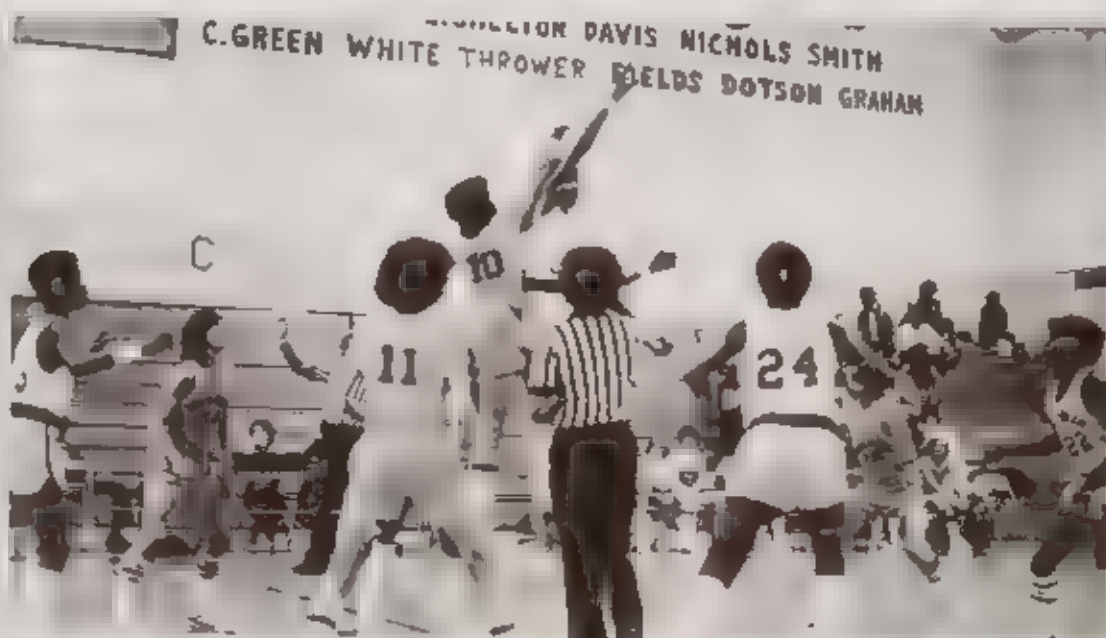

Congratulations to the Champs.

Bee Basketball

The defending Western League champion Bees had a disappointing season. They consistently fell behind early & then attempted a late run which usually fell short.

The team was led by James Clary & Andre Dunlap. The Wings included MVP Clinton Sampson, Larry Brown, Donald Kennedy & Darryl Stanton. At forward the Bees played Lionel Rivers, Danny Jackson, Tony Woods & Darren Hanzy. Centers were Tim Harris and Most Improved Michael Strawberry.

SEATED: Rosaura Derios, Daryl Waggener. STANDING: Coach Gary Pozzo, Gary Polley, Mark McCraney, Bruce McCraney, Clifford Monroe, Norvin Curl, Robbie Yates, William Harris, Kenneth Hasley, Clifford Keith, Reginald Hardine.

Judging from last year's Varsity City Swim Finals, where four schools in Western League were in the top twelve of the 49 schools participating, one can see the problems this year facing the Swim Teams.

We have two handicaps to overcome: one, competing in the always tough Western League, and two, our young inexperienced swimmers (only five seniors). The plus is the fact that the quality of the swimmers has never been better, especially the tenth graders.

The Varsity has some excellent swimmers. Heading this group are Kenneth Hasley, one of the top five in league in 100-yard Breaststroke; Daryl Waggener, who should be a league finalist in 100-yard Backstroke; Clifford Keith, also in 100-yard Backstroke; William Harris who swims the 200-yard Free and the tough 500-yard Freestyle (he was a finalist in league last year); and Bruce McCraney 50 and 100-yard Freestyle.

Other Varsity swimmers who will improve as the season goes along are Clifford Monroe, Reginald Hardine, and Mark McCraney.

--Coach Gary Pozzo

200-YARD MEDLEY RELAY TEAM: Daryl Waggener, Kenneth Hasley, Robbie Yates, Norvin Curl.

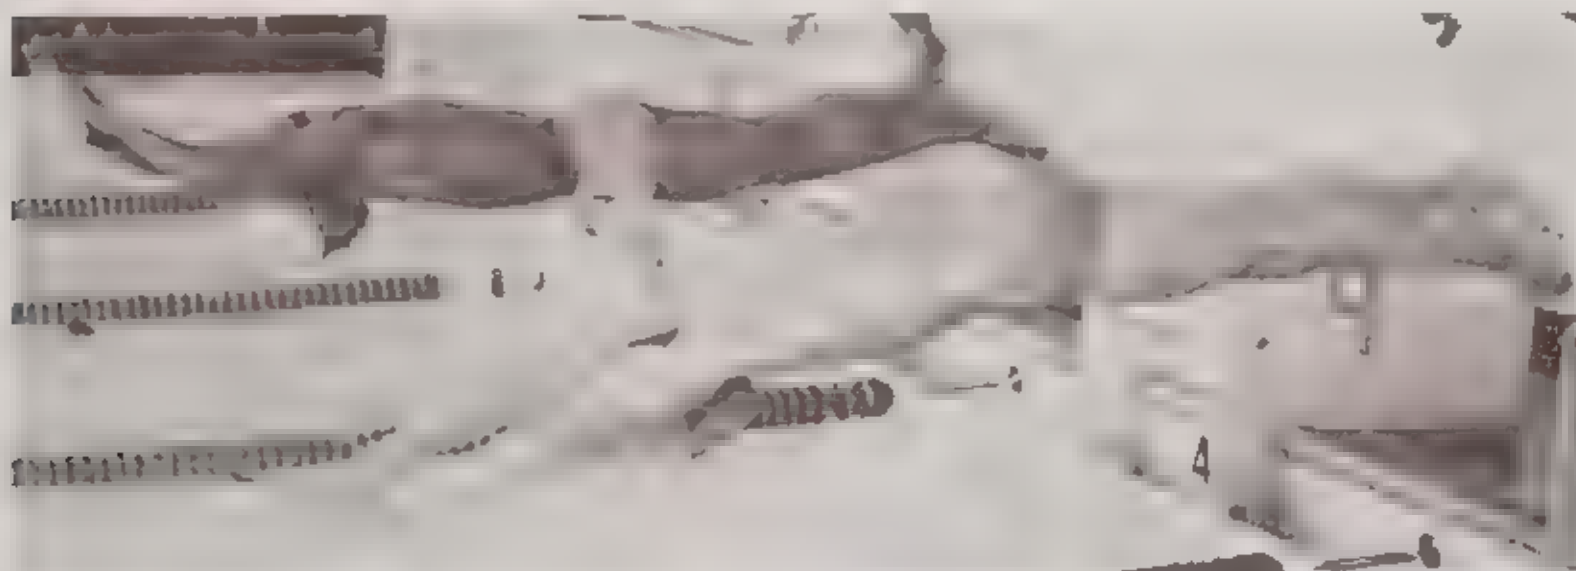

Cee Swimming

Leading BEEs who have good chances for league final trophies are Robbie Yates, a strong 100-yard Breastroker; Gary Polley, 50 and 100-yard Free-style; and Rosaura Derios, 100-yard Backstroke.

The Cougar CEEs have an excellent chance to finish as high as second in league. Top CEEs should be Donna Fulbright, a league finalist in 50 and 100-yard Freestyle last year; Dawn Clark, last year's league finalist in the 50-yard Backstroke who will also swim 50-yard Free; Ronald Hodges, 50-yard Breaststroke, Mark Flot, 100-yard Free; Craig Smith, 50-yard Butterfly and 200-yard Free; Jerry Armstrong, 50-yard Backstroke; Chuck Smith, 100-yard Individual Medley, and 100-yard Free; and Herman Lane 50-yard Butterfly.

Varsity Baseball

The Varsity team started the season playing very fine baseball. At press time, we were in second place in the always tough Western League, feeling confident of making the City playoffs--even of having a good shot at the championship.

The team is loaded with talent. The catchers are Elvis Kitt & Richard Triplett. At first base are Calvin Davis & George Talbert; at second, Tracy Shur & Nat Funches. Shortstop Myron Smith & third baseman Mark Jones round out the infield.

Offensive and defensive threats are outfielders Michael Strawberry, Gerald Addison, Treavor Shelton, Reggie Williams, Elijah Risper, Irsie Henry & Nat Meador. Lettermen

If you've been to a concert, assembly or any school program your tickets have been taken or you've been shown to your seat by a well-mannered young man wearing a yellow jacket with a Cougar "C" on it.

He's a member of Crenshaw's most active club, the Lettermen. Started by coach Major

Dennis and Joe Weakly with about a dozen members last year, the club has grown to about 22 strong.

Members are athletes who excell in every sport, who spend their time helping out in every school function, from games to assemblies.

Our varsity basketball team had a very satisfactory season. We started out strong, winning our first two practice games against Jordan & Hollywood. In the season opener against Westchester, we rallied hard through two overtimes to come out on top, 53-52.

Our Cougar spirit and hard work was appreciated all during the season. With all the effort and spirit the team put forth, we finished fourth in the league.

Junior Varsity

At the beginning of the season the girls' junior varsity basketball team was just a fragment of what we eventually turned out to be.

We unsuccessfully attempted to outscore our opponents from Jordan & Hollywood High in practice games, but came back with lots of confidence and that old Cougar spirit to win six of our ten league games, tying for third place in the Western League.

Another Great Season Ends at Pauley

Crenshaw, the team the Los Angeles Times called "the team of the '70s" in city basketball, moved into the City finals hoping to regain its lost championship.

The road to Pauley Pavilion had been a long but satisfying one, featuring an undefeated Western League season and only one loss in 25 games.

Starting the playoffs, the Cougars faced Huntington Park, but it seemed to be just a formality as they breezed to a 120-69 run-away.

The next game, against Manual Arts, proved to be more of a test. Trailing all the way until 4:12 was left in the last quarter, Crenshaw pulled the game out with all-City guards Darwin Cook & Jose Marciano's key plays.

In the semi-finals, the Cougars were matched against their Western League shadow Westchester, who'd given the Shaw some worries in two earlier games. But thanks to outstanding play by Center Raymond Potlongo, Russell Jackson, Marciano & Cook, the Comets succumbed, 81 to 69.

All that was just a prelude to the showdown at UCLA. Facing its neighbor, Dorsey, Crenshaw was looking for its fourth title. But Dorsey took a 21-10 lead & increased it at halftime to 46-29.

The third quarter opened differently, as the Cougars fought back, led by Potlongo who hit 8 of 13. In the final quarter Dorsey saw its 17-point lead dwindle to two, 52-50. However, the hard-driving blue-&-gold team ran out of gas as the Dons took off to win 75-60.

Potlongo & Cook were named to the All-Tournament first team, while Marciano got second-team honors. And an award should have gone to our student body, who cheered for its team even in defeat--and to the Crenshaw team for its great play all season.

Senior Recognition

11th & 12th graders filled the Cougar's Den to observe 1976 Senior Recognition Day.

Under the direction of MC's Pilette Hampton & Robert Cooper, the program they saw was a smooth mixture of music, dance, fashion, and, of course, spirit.

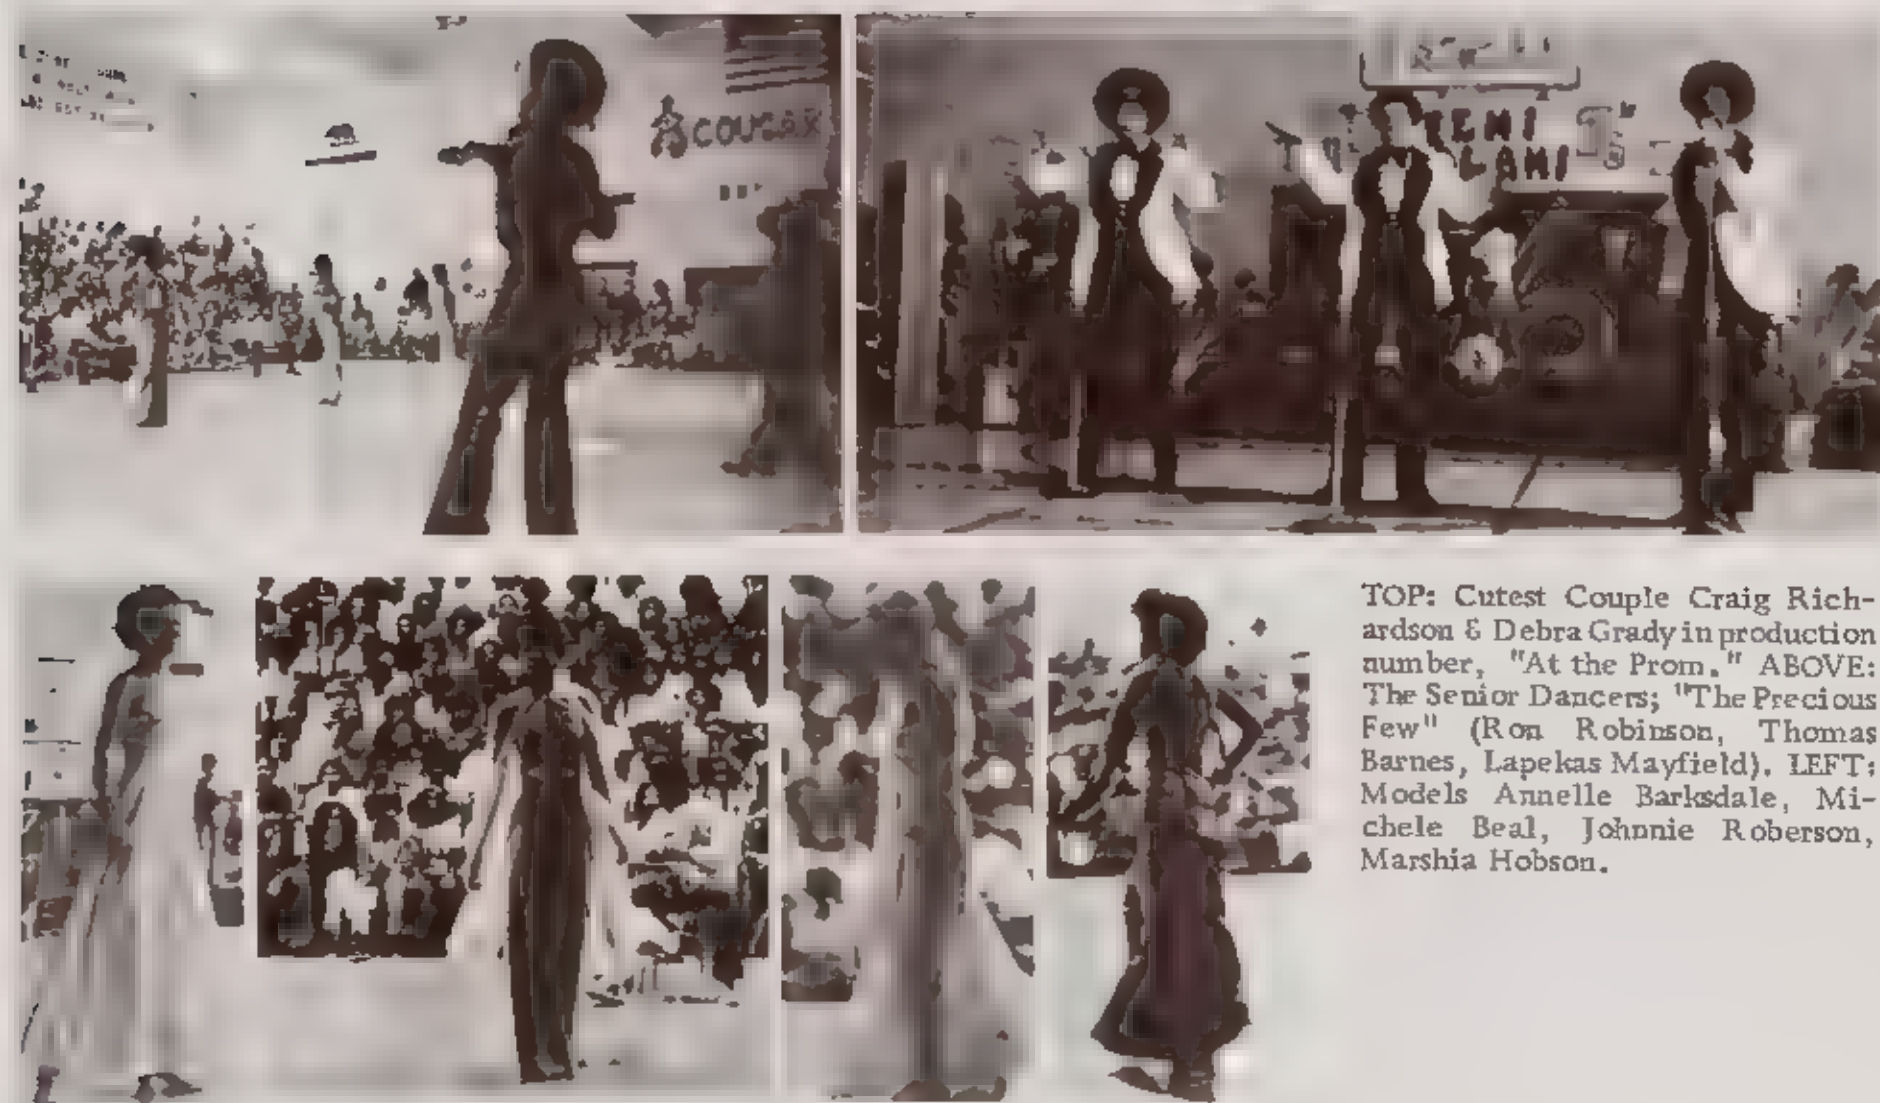

Senior President Michael Smith presented the class's gifts to their school: MPR murals, a new Cougar costume & the painting of the Den's trophy case. The senior "mosts" were recognized.

The Recognition Committee consisted of Pilette & Robert, plus Kenneth Hasley, Rhonda Gates, Debra Booker, Desiree Booker, Craig Richardson & Pearla Holmes.

I pledge allegiance to our flag & to our senior class, & to the unity of "76" and that for which we stand.

One class loyal to ourselves, bonded together by love, honor & respect for each other. We also vow to change the world, because

We are definitely the way of the world.

"Now you don't have to choose between getting a good job and continuing your education."

Over 1000 colleges and the Army have an educational plan that will make college a reality for more young people.

It's called Project Ahead and it's a way to enlist in the Army and start your college education at the same time.

If you qualify under Project Ahead, its unique course credit plan allows you to choose the participating school you'd like to graduate from before

you enlist. Then no matter where you study while in the Army, you'll take courses taught by accredited colleges right on post, with the Army paying up to 75% of the tuition.

If you're interested in starting on your college degree while you're working at a good job, find out more about Project Ahead.

E Pluribus Cougar

The bicentennial year of 1976 has helped relate the theme of our book, *E Pluribus Cougar*. This theme uniquely states, "Out of many Cougars, we are one."

What one achieves at Crenshaw is his own, but clubs, teachers, administrators, teams and especially the students all contribute their ingredients to Cougar Spirit.

In our personal & academic lives as well

as in athletics we occasionally experience setbacks, but our victories have outnumbered our losses.

E Pluribus Cougar. If we maintain the thought of togetherness it will strengthen us. We will continue to be able to emerge from our defeats, improved by the experience--as we have been improved by our experience at Crenshaw H.S.
